

Texas A&M University-Corpus Christi
College of Science and Technology
 6300 Ocean Drive, Corpus Christi, TX 78412 PH:361-825-5731
 The Island University...home of academic excellence and diversity since 1947

Thank you for pledging to become a member of the A&M-Corpus Christi Geology Consortium and for supporting the research of Dr. Jim Garrison and our students. When the community provides financial support to the University for research, they are providing opportunities and we thank you for your pledge of membership.

Friends of our Geology department like you are leading the way to a brighter future for Texas A&M-Corpus Christi, the fastest growing University in the A&M System. Your commitment to the University demonstrates that you believe in a quality education and we thank you.

On behalf of the University, President Dr. Flavius Killebrew, Dr. Jim Garrison and the students in the Geology program, I want to thank you once more for your membership in the Geology Consortium. Please visit our website at www.tamucc.edu and see for yourself all the wonderful developments taking place every day.

With Islander pride,

Robin Ellis, Grants and Contracts Administrator
