The Island University...home of academic excellence and diversity since 1947

Thank you for pledging to the A&M-Corpus Christi Geology Consortium and for supporting Dr. Jim Garrison, our students and their research. When the community gives a gift of financial support to the University, they are giving a gift of opportunity and we thank you for your gift.

Friends of our Geology department like you are leading the way to a brighter future for Texas A&M-Corpus Christi, the fastest growing University in the A&M System. Your commitment to the University demonstrates that you believe in a quality education and we thank you.

On behalf of the University, President Dr. Flavius Killebrew, Dr. Jim Garrison and the students in the Geology program, I want to thank you once more for your generous gift to the Geology Consortium. Please visit our website at [www.tamucc.edu](http://www.tamucc.edu) and see for yourself all the wonderful developments taking place every day.

With Islander pride,

Robin Ellis, Grants and Contracts Administrator
